

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services in order to ensure efficiency and increase the productivity within residential, industrial and commercial environments. They pride themselves in providing products so as to improve the health, safety, comfort and security of people around the globe all through their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting advanced controls, services and parts support used for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products in order to enhance energy efficiency, productivity and operations for their clients. The series of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have likewise developed Club Car, the global leader in golf and utility vehicles intended for businesses and people.

Recognized trade names like for example Trane and Schlage compromise the Residential Solutions business, providing efficiency, comfort and safety to home owners all around North America. Some of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products which ensure productive, secure and safe surroundings. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel frames and locks and doors, decorative hardware and locksets. Schlage even has products that offer time, attendance and personal scheduling systems.
