

Advance-Nilfisk Part

Advance-Nilfisk Part - Think about how long and tedious it will really be to tidy up after a party, with no help from machines. Not too long ago, the dust from upholstery and carpets had to be beat out of them by hand; brooms, brushes and cleaning cloths were the leading cleaning products at the time.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Founding the business in 1906, he began to make motors to be able to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the beginning was to have a worldwide company selling merchandise worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented an amazing, ground breaking vacuum cleaner that could be operated by a single individual for the reason that it just weighed 17.5 kilos! This creation came in a time where various cleaning equipment were massive and required 4 or more operators, hence, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing crisis; stuff get filthy and must be cleaned on a regular basis, without a lot of effort.

Slowly but progressively, Nilfisk-Advance expanded all through the decades. During the nineteen eighties, this development really took place the time the business became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aspiring to be amongst the leading global players in the market of professional cleaning equipment. Nilfisk-Advance is currently located in every part of the globe due to steadily acquiring a lot of small businesses so as to expand their product selection and presence in new markets. They are really proud to offer various cleaning solutions to fit each and every requirement.
