

American Lincoln Part

American Lincoln Part - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are known within the business as providing durable and strong machinery which suits the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, machines and components for these types of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of numerous facility managers where efficiency and results matter. Lately, this particular floor scrubber model has been used by the architects in various construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's excellent quality and utmost performance level for polishing concrete.
