

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality to be able to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering products which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their understanding of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

The personnel at TREK and their dealer-partners are strongly dedicated to having both parts and technical support accessible when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment ready and working daily is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cost of cleaning. The service, the product and the price all work together to make them the leader in the business.
